Taking note of your outstanding contributions to engineering and also your dynamic leadership in engineering domain which have immensely contributed for the faster development of the country, INAE Council has decided to elect you as a Fellow of the Indian National Academy of Engineering (INAE) at its recent meeting under the special provision of Rule 37(g).

On behalf of the Indian National Academy of Engineering, I feel extremely happy to convey to you my heartiest congratulations. I am very certain that through your wise counsel and active involvement, the Academy's activities and the programmes would grow further in the coming years.
